## Workforce Info

### Elfin Cove

Elfin Cove is an unincorporated CDP that lies on the northern shore of Chichagof Island, about 70 miles by air west of Juneau. Elfin Cove is part of the Hoonah-Angoon Census Area.

- ♦ The estimated population for 2008 was 22, a loss of about 10 since the 2000 Census.
- ♦ About 42 percent of the resident population 16+ years old worked in 2008.
- ♦ Local Government was the main industry in 2008, employing 43 percent of the area's workers.

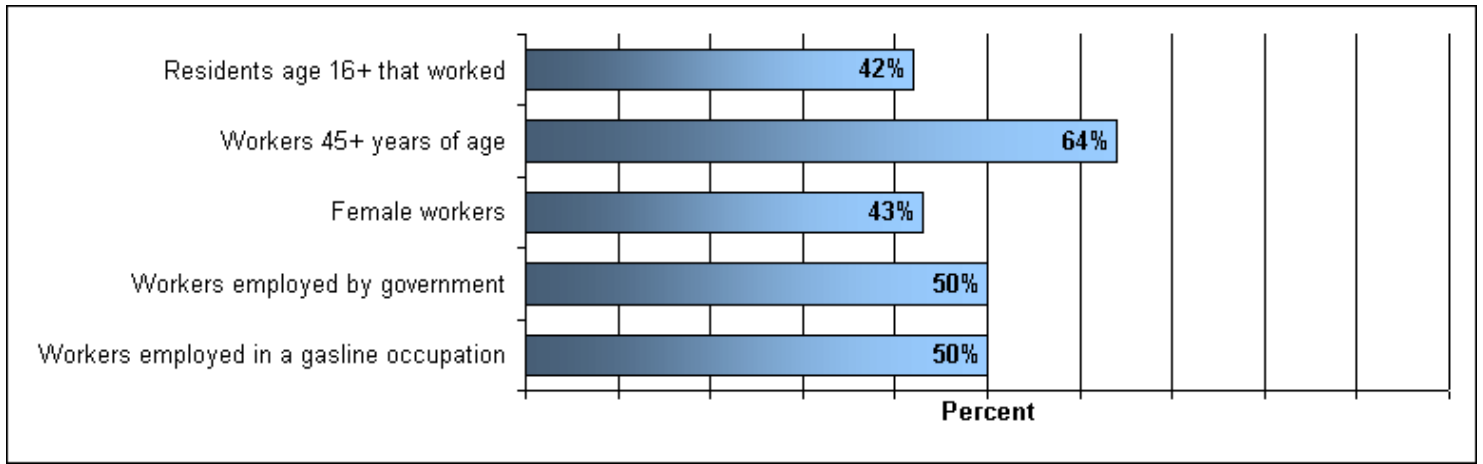

Please note: There is an important distinction between the local/regional employment data and our "standard" employment series. Most of these data reflect totals for area residents only. Total worker counts may be lower than expected in areas with a large number of nonresident workers. The Alaska Permanent Fund dividend file is used to determine the worker's geographic residence. Only Alaska residents (as defined by PFD application) are included in these totals. Also note that federal employees, the military, and the self-employed are not included in these data.
